

Dear Kansas Bethels:

It's time once again to start selling advertising for the Grand Session Program book. We are going to try something different this year. Every Bethel that participates in the sales of ads for the session book will receive \$50 and the top selling Bethel will receive \$100.

Daughters and adults will earn commission on both display and classified advertising sold based on the following schedule:

- Ads postmarked prior to March 15, 2019 will receive 60% commission.
- Ads postmarked between March 15 - April 1, 2019 will receive 55% commission.
- Ads postmarked after April 1st but prior to April 15, 2019 will receive 50% commission.
- Ads postmarked later than April 15, 2019 will be returned and not included in the session book.

Please pay special attention to the deadline dates and strongly encourage your advertisers to mail their ads early to ensure your daughters receive the highest commission rates possible. There will NO exceptions to these guidelines so please mail early. We want you to deduct your commission for the first 2 deadlines. We will issue your bethel a check for the 3rd deadline and the incentives at session.

All advertising must be "paid in full" when placing the ad.

Please do not deduct any commission at the time of payment.

Your commission will be calculated and reported to you so it may be deducted from your Grand Session registration expenses.

Please read the order forms carefully to ensure that all information is included as requested and that all writing is legible. This is a great way to earn money to go to Grand Session in Wichita this year. Sell to your friends, family, neighbors, local businesses, Masons, Eastern Star, DeMolay and other Masonic supporters.

If you have any questions, please contact Kristi Guthmiller 785-332-6024 or send her an email at kguthmiller@sbcglobal.net. Checks **MUST** be made payable to **Grand Session**, do not send cash through the mail.

Please send all money and sales forms to:

Best wishes on selling,

Kristi Guthmiller
