

KANSAS KNOWLEDGE COURSE

Two courses designed to assist members of Kansas Job's Daughters and adult workers in becoming familiar with the documents that govern our organization. Those documents include the Constitution and Bylaws of the Supreme Guardian Council, the Manual of Rules and Regulations of the Grand Guardian Council of Kansas, the Ritual and the Librarian's Report Booklet.

These courses are excellent learning tools for both girls and adults. Adults may enroll in the Girls Course and the Daughters may enroll in the Adult Course.
