

Membership Awards – Sunflower Medallions

Kansas Job's Daughters awards for membership

This is a continuing membership award that is given to any Kansas Job's Daughters who brings in five (5) new members. Please note that this is not limited to one year, it is a cumulative total of five new members. Any number of initiates may be obtained in one year and succeeding years. For each new initiate brought in after five, the Daughter signing the petition will receive a miniature sunflower.

Within ten (10) days after each initiation, the Bethel Guardian should fill out and return to the Vice Grand Guardian the form so that these awards may be presented at Grand Session each year.

Class A and Class B Bethel Membership Awards

Awards will be presented at Grand Session to the Bethels showing the greatest gain in membership from Grand Session to Grand Session. Information from each Bethel's Annual Form 110A Report will be used along with information from the attached form to determine the winner in each of the following categories:

Class A- Bethels with 10 or more members

Class B – Bethels with less than 10 members

Please note: Majority members will NOT be counted against your Bethel's membership gain or loss.

Bethel Guardians: Remember to return the form following each initiation. Membership is a high priority for our organization and our Daughters need to be rewarded for their work in increasing membership.
